

Monterey Bay Aquarium Wetlands Poster

Monterey Bay Aquarium Coastal Wetlands "I Spy" Activity

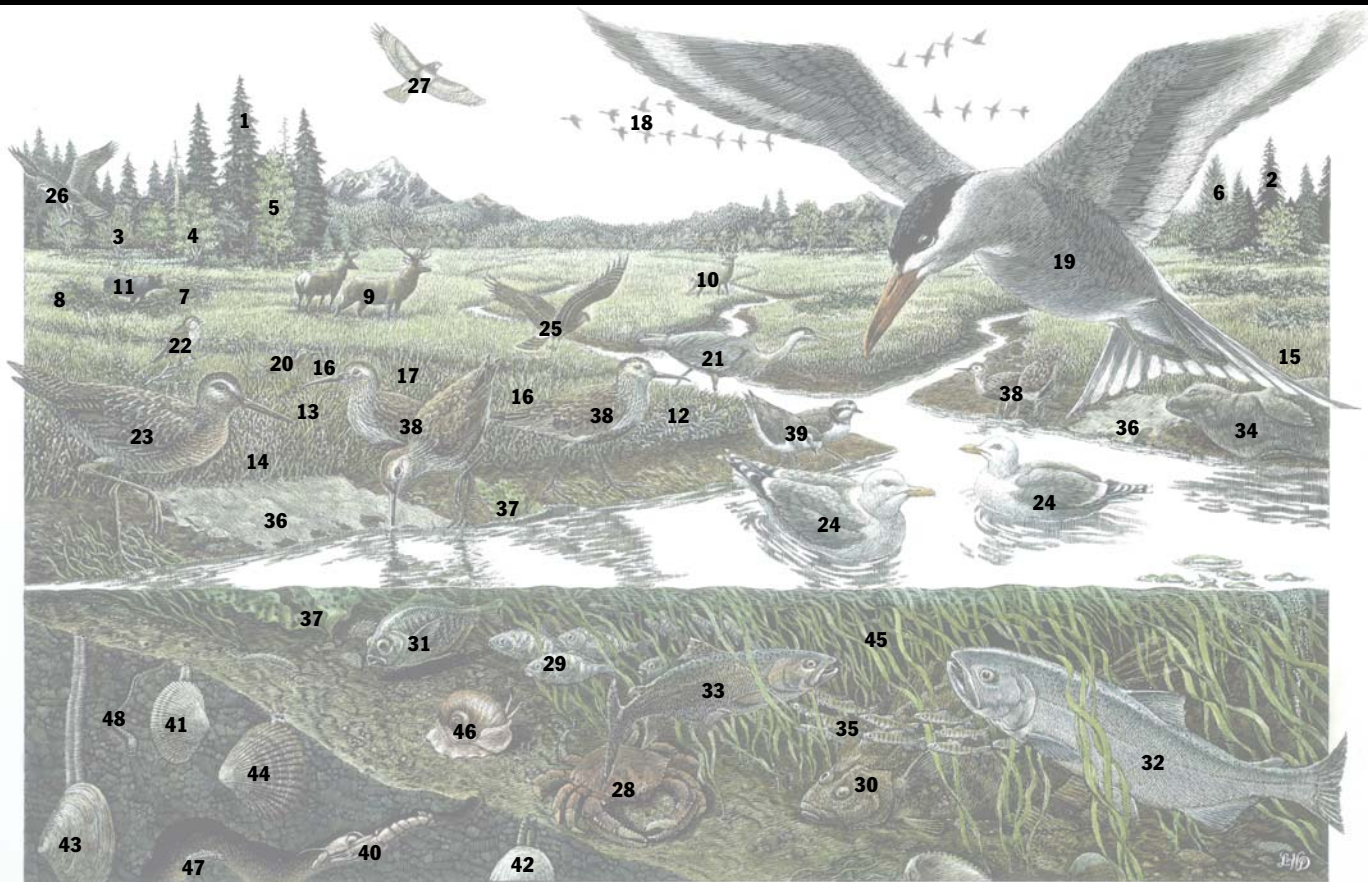

Below is a list of some of the animals and plants that appear on our *Coastal Wetlands* poster designed by Larry Duke. See how many creatures you can spot or identify. You can use the online field guide on our web site to help identify some of them.

The poster key on page 3 shows all the creatures in the poster. Take a trip to a coastal wetlands like nearby Elkhorn Slough and see how many you can find in the wild.
